# Facilities Fund Information (FIF): Tax Implications

## FACILITIES INFORMATION AND TAX IMPLICATION SESSIONS

Child care has been front and center as communities grapple with accessibility and affordability. Michigan has responded with unprecedented investments, including the establishment of a \$50 million Facilities Improvement Fund (FIF) through Caring for Michigan's Future (CFMF). Join Ann Kluting of Vibrant Futures for an overview of the Facilities Improvement Fund administered by IFF, and Margie Cangelosi of M.A.C. Tax Preparation for a discussion of the tax implications for home and center providers. Register for sessions and MiRegistry training credits below.
