

Menu Mate

Instead of writing out all of your meals and snacks for children one year and older, you can write a code. Simply use this list to find the meal/snack of your choice and record the code in the appropriate space on your menu. You may interchange codes as long as the meal and/or snack meets or exceeds the requirements. If you change a menu item, you must write out the entire meal or snack on your menu. Juice can only be served once a day on your menu.

The * indicates a possible Whole Grain or Whole Grain Rich food item. If it is, you must write WG or WGR next to that menu code.
